By submitting my application and payment I am signifying that I have read and agree to abide by the stipulations on this page.

- I understand that as a Zilke Vegetable Farm CSA member I share in the risks and rewards of farming. Thus, there is no guarantee as to the amount of produce that I will receive. The variety and quantity will vary according to the weather and the time of year.
- I understand that there are no refunds for shares in the event that I change my mind or in the event of a natural disaster.
- I understand that I am purchasing a share of one season's harvest and not ownership of the farm, the property, or equipment.
- I will arrive at the designated distribution point at the designated time to pick up my share. If I cannot pick up my share due to a non-emergency (such as vacation), I will provide one week notice and may be allowed to make up a share depending on availability. Make up shares will be available in emergency situations. I will attempt to give notice of my inability to pick up due to an emergency as soon as I am able. An alternate pick up date may also be available in emergency situations. If I do not pick up my share on the designated date, I may be able to pick it up on the next day at the farm or farm stand. Shares will not be available for pick up after that time unless previous arrangements have been made.
